

# Interference Cancellation in Heterogeneous Wireless Networks

Micael Bernhardt - PhD Student  
LaPSyC - IIIE - UNS/CONICET

# Main Objectives:

## Main Objectives:

- Heterogeneous cellular network modelling.

## Main Objectives:

- Heterogeneous cellular network modelling.
- Analysis of resource allocation strategies.

## Main Objectives:

- Heterogeneous cellular network modelling.
- Analysis of resource allocation strategies.
- Study of interference cancellation techniques.
